Hello Church!

After pausing in-person meetings the past three weeks, we are going to **STAY ONLINE ONLY FOR THIS COMING SUNDAY** December 13th but we are pleased to let you know **we will resume on-site worship at CCMC starting Sunday December 20th** and forward, with our schedule of 8:30 and 10:50 a.m. worship services (no Sunday School) including children's church and nursery during the services. Praise God that we are also able to offer high-quality on-line worship connection on 2 different platforms (Livestream & Facebook) for those who are not ready to worship on-site. We trust that you will make your worship choice according to what is best for yourself, for your family, and others. This coming **Wednesday (16th) @ 6:30** we will offer **on-site mid-week activities for children, youth and adults**. Mid-week meetings will then cease for the following 2 weeks during the Christmas break, aiming to resume January 6. We will offer **2 Christmas Eve services at 4 and 6 p.m.** both on-site and online live on December 24 and certainly hope you will make plans to join us!
