Dear Friends,

This Sunday and for the immediate future, we will NOT be holding on-site gatherings BUT **we will meet online instead for our worship services!** You can tune in via Livestream on our website ([casscitymc.org](http://casscitymc.org)) or connect through Cass City Missionary Church FaceBook. You'll be able to access the broadcast of our services (produced by our amazing volunteer team) from the comforts of home or watch from your mobile device or computer right where you are. We encourage you to tune in as we all make it a priority to worship God together, even though we're doing it remotely. You will be able to access the weekly bulletin, sermon notes, share prayer requests and praises, give offerings online and even interact with one another. Invite your friends (via text, phone, email or social media, of course!) to join you.

Though the circumstances around us can cause anxiety, fear and stress we continue to journey together towards Easter. This week we are in week #4 of our *Bystander* sermon series and we will emphasize that seeking Jesus is more important than the miracles and gifts we want from Him. That's a message we all need, "for such a time as this."

We also want you to know we miss seeing your kids at Church! Our Kid's Ministries and XLR8 students are very important. They've often been referred to as "The fizz in the Pepsi-Cola". It's just not the same without seeing them but we want you to know that our staff and teams are exploring ways and resources to be able to connect with them as well, so stay tuned.

We will keep you updated as we know more. In the meantime, **let's be the Church wherever we are**, acting out of love and God's peace, which passes all understanding.

If you have needs of any kind, or if you would like to pray with someone over the phone, or if you need someone to talk to, please call us at the church (989-872-2729), my (Pastor Phil) cell (260-224-5190), Pastor Joel (541-727-1851) or contact one of the Deacons/Deaconesses.

Trusting Christ with you,

—Pastor Phil, Staff, and Church Board at Cass City Missionary Church

P.S. Please share this information with others you know may not receive it. Thanks!!
