Dear Friends,

It was SO GOOD to be able to welcome many of you back on-site for worship this past Sunday! Praise the Lord!

We will take a similar approach this coming Sunday but with a few modifications. Our worship times will be (as before) 8:30 and 10:50 a.m. If you weren't here Sunday, I encourage you to review the Covid updates sent to you last week which will help you know what to expect. However, the three important updates you should know for this Sunday are:

We will NOT be asking you to phone us and let us know which service and how many will attend. Instead, we will work with you to adjust our movable seating to best accommodate your household, while still allowing for social distancing. We thank you for your patience and help in this process.

We WILL be offering nursery for the youngest kids for both services. We will NOT be offering children's church during worship services again this Sunday. A children's packet will be available for children upon entering. Miss Shirley will once again present KIDZ KORNER which has quickly become a favorite new element. Again, it is our desire to open full children's ministries as soon as it's possible.

We want to stress that those who choose to wear masks and those who choose not to wear masks are equally accepted and welcome and we will not discriminate either way. At Cass City Missionary Church our mission is to Love Jesus; Love others and Prove it. That means we will not judge others who have a differing conviction about masks.

The Pandemic quarantine has prompted our tech and worship teams to make excellent advances in our on-line worship experience. Not only has it benefitted those who are unable or not yet ready to join on-site worship, but we are reaching otherwise unchurched people. **-OVER-**

Praise the Lord! Again, as has been communicated in our culture and in our church, anyone with symptoms of illness is asked to stay home out of respect and concern for others.

It is our strong hope that very soon we will be able to lift more restrictions and be less constrained. If you have any questions please contact the church office or Pastors Phil or Joel.

Please pray as we try to balance the need for caution and prevention of disease with the need for interaction and freedom in worship. We close with three "one another" verses from Paul's writings:

Romans 12:10 *Be devoted to one another in brotherly love. Honor one another above yourselves.*

Ephesians 4:2 *Be completely humble and gentle; be patient, bearing with one another in love.*

1Thessalonians 5:11 *Encourage one another and build each other up, just as in fact you are doing.*

We look forward to gathering with you to worship with JOY this coming Sunday.

In Christ's Love,

Pastor Phil, Pastoral Staff, and Church Board at Cass City Missionary Church
